CALAMITY JANE

Good evening and welcome to our show, Firstly, on behalf of our new theatre group I would like to take this opportunity to thank everyone who has made this evening possible. What better a beginning than the rip roaring fun - filled Calamity Jane, with evergreens like 'Secret Love', 'The Deadwood Stage and the Black Hills of Dakota.

Calamity Jane has a distinguished score that compares favourably with any other musical Western.

With its feisty, buckskin-clad heroine, splendidly personified in a vivid Wild West setting, Calamity is a classic musical, so sit back and enjoy what promises to be a very funny and entertaining evening.
